

Annexure 4.3.2

1.

The **Career Development Center (CDC)** at **Iqra National University** organized a dynamic and interactive session for INU students, aiming to motivate and guide them to apply for **NIC Peshawar 11 Cohort**. The event witnessed a significant turnout of students who actively participated, expressing keen interest in venturing into entrepreneurial pursuits. This session took place on **February 8, 2023**.

2.

CDC-INU organized a seminar on '**Scholarships and Study Abroad Opportunities**' to guide students and faculty members of INU interested in pursuing higher education at international institutions. We extend our gratitude to FES Consultants for providing valuable assistance in the application process and helping individuals make informed choices for prestigious educational institutions in the USA, Canada, UK, and other countries. **On Feb 9, 2023** .

CDC-INU in collaboration with **Department of social work**, Peshawar University and **University of Calgary**, Canada arranged an International symposium on “Engaging men in Gender Justice” Wednesday 15th March, 2023.
