# SCHOOL OF NURSING

## ABOUT

Nursing is a calling that requires knowledge, empathy, and a genuine desire to care for others. We believe that nursing is more than just a job. It demands not only intellectual prowess but also empathy, resilience, and a genuine desire to care for others. Our curriculum is designed to equip you with the knowledge and competencies necessary to meet the evolving healthcare needs of our society. Through a combination of theoretical learning, state-of-the-art simulation labs, and

invaluable clinical placements in diverse healthcare settings across Peshawar. You will gain the confidence and expertise to excel as a compassionate and competent nurse.

As you embark on this transformative journey, know that you are joining a community that values collaboration, innovation, and lifelong learning. We are here to support you every step of the way, providing guidance, mentorship, and resources to help you reach your full potential.

# PRINCIPAL'S MESSAGE

**Ms. Iffat Ayesha**

Welcome to the School of Nursing at Iqra National University. We offer an excellent nursing educational opportunity that combines strong academics with practical clinical experience. Our dedicated faculty of experienced nurses and educators will help you develop critical thinking skills and the ethical values essential for nursing. Our curriculum is designed to give you the skills to meet today's healthcare needs. You'll learn through theory, advanced simulation labs, and valuable clinical placements in various healthcare settings in Peshawar. This will build your confidence and expertise to become a compassionate and skilled nurse. As you begin this journey, know that you're joining a supportive community that values teamwork, innovation, and continuous learning. We're here to guide you and provide the resources you need to succeed and helping you to achieve a fulfilling career in nursing.

Post RN BSN Shifa Tameer-e-Millat University (STMU)  
MSN Khyber Medical University (KMU)

# VISION

To be a centre of excellence in nursing, fostering high-quality educational programs that encourage innovation, research and development with an understanding of corporate social responsibility.

# MISSION

\* To provide quality education that produces skilled nurses for all levels of practice.

\* To advance the scientific and theoretical foundations of nursing through innovative programs that address the evolving needs of healthcare in local and global communities.
